

Overview

A

- Download and Install the Prism App
- Start Trial

B

- Enter Your Details and Patient Details
- Select Assessor

C

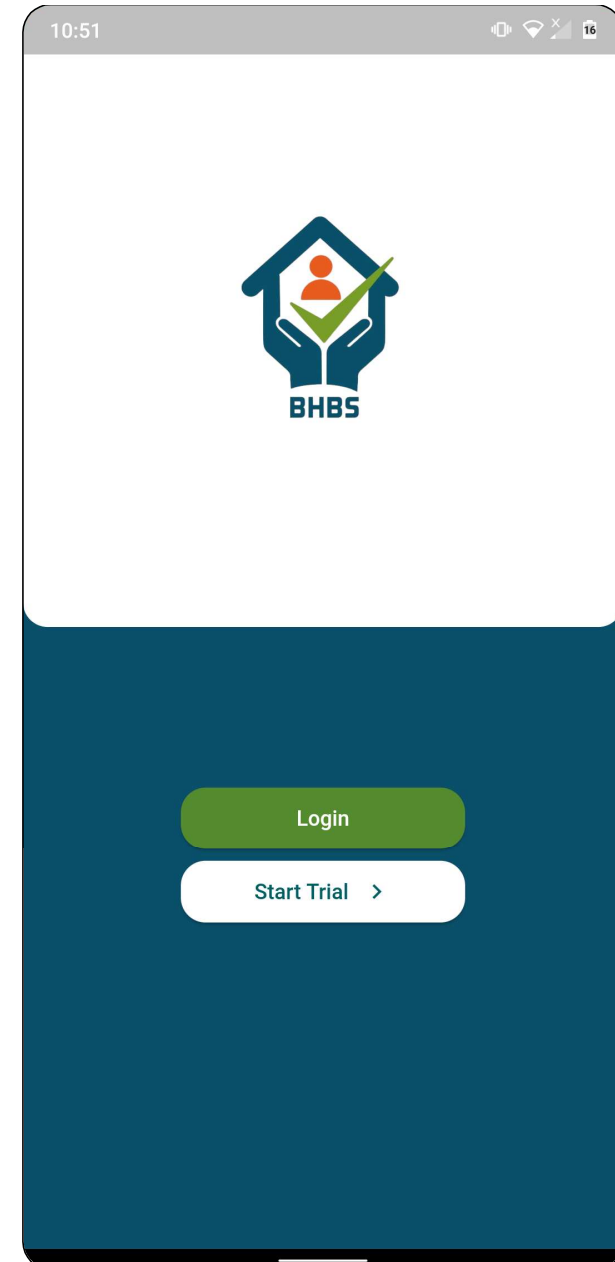

- Log-in
- Begin Assessment

Step 1

- To download and install the Prism Application click on the Android link in the email from your android mobile device.
- If your device raises security concern, proceed to give necessary permissions in device settings. Your device shows this error because the app is a beta version and is not yet listed in Google PlayStore. Your device's data and security will not be hampered by this app.
- Wait for the app to download.
- Tap on "Install".
- Wait for the app to install.
- Tap on "Done".
- The app is now installed and ready to be used on your device.

Step 2

- Tap on the “Prism” Application from your device’s app drawer .
- After the app loads you’ll see the home screen as this attached image.
- Tap on “Start Trial”.

Step 3 ^(a)

- Choose the therapist you want.
- You can choose either from BHBS or My Therapist

Step 4

- Fill in the patient/client details.
- Tap on “Next”.

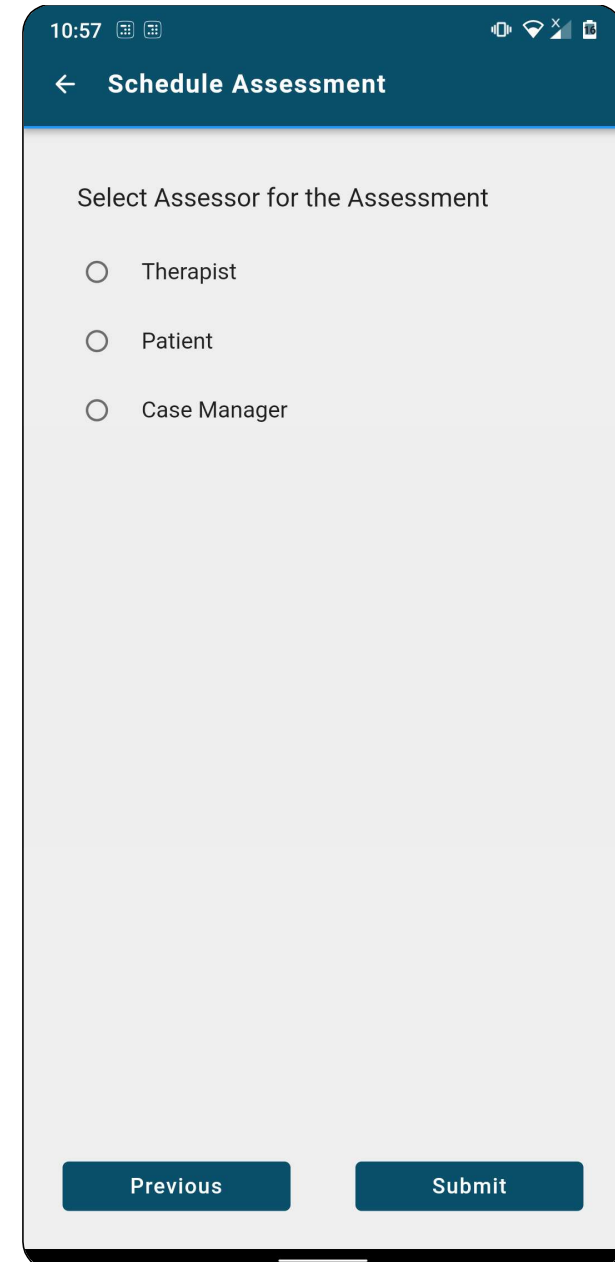

NOTE: The username will be set to the email address provided in this section and this username needs to be used only if the assessor type is “Patient”

The screenshot shows a mobile application interface for entering patient details. At the top, there is a dark blue header bar with a back arrow icon, the title "Patient Details", and status icons for time (10:56), signal, and battery. Below the header, the form consists of six white input fields with light gray borders, each containing a placeholder text: "Enter Your First Name", "Enter Your Last Name", "Enter Email Address (Username)", "Enter Address", "Enter Mobile Number", and "Enter Age". At the bottom of the screen, there are two dark blue buttons with white text: "Previous" on the left and "Next" on the right.

Step 5

- To start an assessment, first select the assessor type.

A mobile application interface for scheduling an assessment. The screen has a dark blue header bar with a back arrow, the title "Schedule Assessment", and status icons (time 10:57, signal, battery). Below the header, the text "Select Assessor for the Assessment" is displayed. Three radio button options are listed: "Therapist", "Patient", and "Case Manager". At the bottom, there are two dark blue buttons labeled "Previous" and "Submit".

Previous Next

Step 5 (iii): For assessor type “Case Manager”

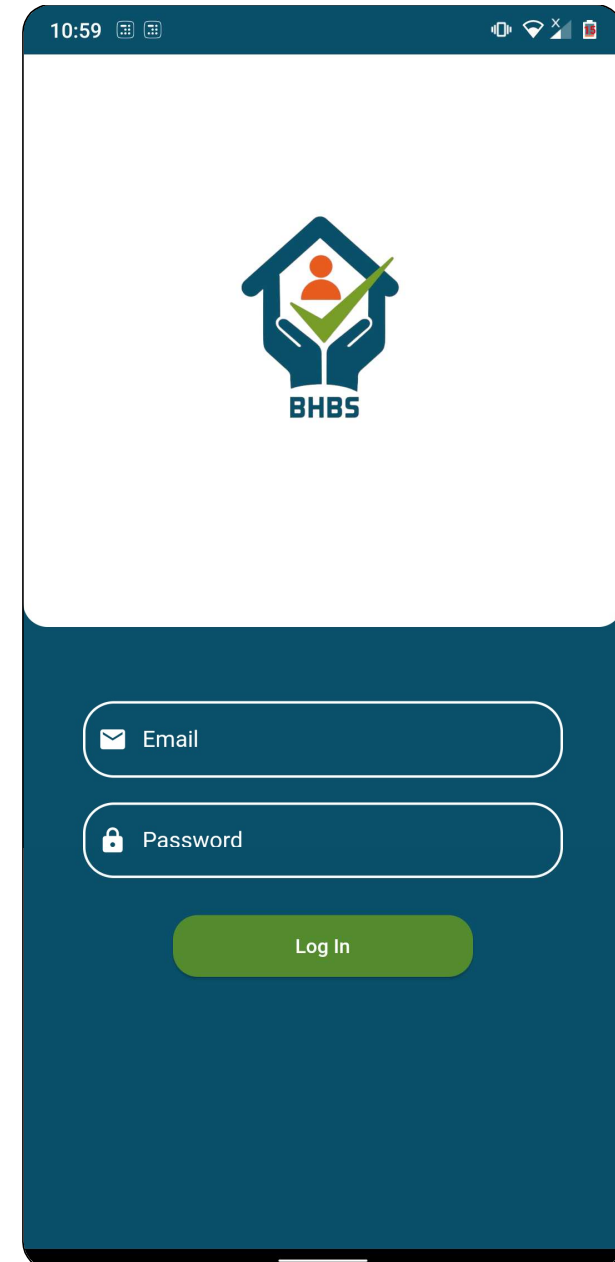

- Enter the nurse details.
- Tap on “Schedule Assessment”.
- Wait as the app loads and redirects to home screen.

The screenshot shows a mobile application interface for entering Case Manager details. At the top, the status bar displays the time 11:01 and various icons. Below the status bar is a dark blue header with a back arrow and the title "Case Manager Details". The main content area is light gray and contains six white input fields with gray borders, each with a placeholder text: "Enter Your First Name", "Enter Your Last Name", "Enter Email Address (Username)", "Enter Hospital Address", "Enter Mobile Number", and "Enter Age". At the bottom right of the form is a dark blue button with the text "Schedule Assessment".

Step 6

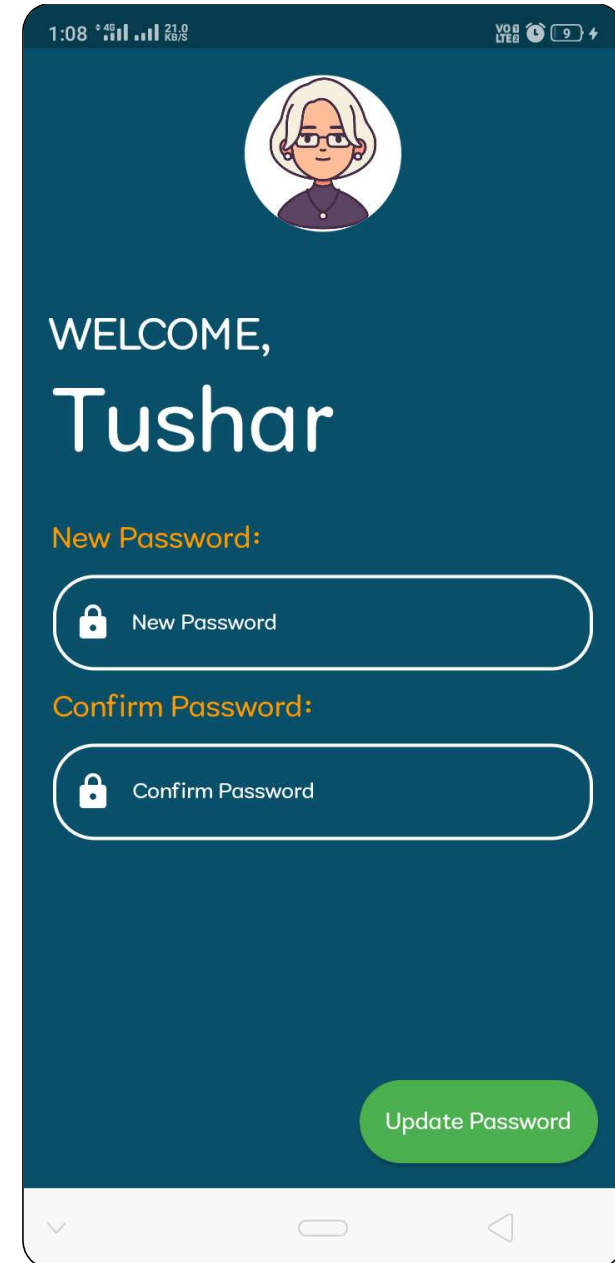

- On the home screen tap on “Login”.
- Enter the email (username). A one-time password is prefilled for you.
- Tap on “Log In”.

The image shows a mobile application interface for BHBS. At the top, there is a status bar with the time 10:59 and various icons. Below the status bar is a large white area containing the BHBS logo, which features a blue house shape with a green checkmark and a red person icon inside, and the text "BHBS" below it. Below the logo, there are two input fields: "Email" with an envelope icon and "Password" with a lock icon. Both fields are outlined in white. Below these fields is a green "Log In" button. The bottom of the screen is a solid dark blue bar.

Step 7

- Create a new password.
- Enter your new password in “New Password” field.
- Re-enter your new password in “Confirm Password” field.
- Tap on “Update Password”
- You’ll be rerouted to the log-in page. Enter your email and new password to log-in and begin your assessment.

The image shows a mobile application interface for updating a password. At the top, there is a status bar with the time 1:08, signal strength, and battery level. Below the status bar is a circular profile picture of a person with short grey hair and glasses. The text "WELCOME, Tushar" is displayed in white. The "New Password:" section has a text input field with a lock icon and the placeholder text "New Password". The "Confirm Password:" section has a text input field with a lock icon and the placeholder text "Confirm Password". A green button labeled "Update Password" is located at the bottom right. The bottom of the screen shows a white navigation bar with a back arrow, a home button, and a forward arrow.

Step 7

- The app is now set to begin assessment.
- Tap on “Begin Assessment” to start assessment.

THE END
